

## **Ph.D. Programmes in Physical, Chemical, and Biological Sciences**

The S. N. Bose National Centre for Basic Sciences invites applications with consistently good academic record (First Division/Class) to apply for mid-term admission into the Ph.D Programme in Physical, Chemical & Biological Sciences for the Academic Year 2015-16. The students who apply are expected to be motivated to make a career in Research. The programme is fully residential and the students are offered on-campus accommodation and boarding facilities. The Centre charges no fee for the programmes. All students joining the centre get contingency grants to meet research contingency expenses that include expenses for attending conferences and training programmes in India. The students also get generous support to attend International Conferences outside India.

The Bose Centre is a premier autonomous research centre fully aided by the Department of Science and Technology, Government of India. In addition, the Centre receives various extramural funds from different funding agencies of India and abroad for its different research programmes.

The Bose Centre has extensive collaborative programmes with other premier International & National institutions through bi-lateral exchanges in which the PhD research scholars take active part. The Centre is fully equipped with the state-of-the art infrastructure (experimental and computational) including digital library for advanced research in chosen areas of Physical, Chemical, Biological and Mathematical Sciences. For research profiles of the Faculty members and facilities available at the Centre, please visit the [URL: www.bose.res.in](http://www.bose.res.in). At present, the Centre has nearly 156 students in its Post-M.Sc-PhD (PhD) and Post-B.Sc Integrated PhD (IPhD) programmes. The Alumni of the Centre have gone on to work in academic and research sectors in India and abroad. The Centre offers an excellent atmosphere for academic development of students. The students, after registering with a Research Supervisor, have to undertake a prescribed Course Work Programme. The details of the admission procedure are furnished below:

### **1. Basic qualification:**

- a) M.Sc. with First Class/Division i.e., minimum 60% in aggregate (55% for SC/ST/OBC candidates) in Physics, Chemistry, Applied Mathematics, Biophysics or Biochemistry.
- b) CSIR-NET-JRF/ UGC-NET-JRF/ INSPIRE-JRF/ RGNF **Awarded or Provisionally Selected.**

### **2. Admission Procedure:**

Aspiring candidates are advised to apply **on-line only**. No request for extension of application date will be entertained in any form.

**3. Age Limit:** None. However, the last Qualifying University examination (M.Sc.) should have been taken not earlier than 2013.

**4. Fellowship:** In accordance with the rules & Regulations of the Funding Agency. The programme is strictly residential and all students will be provided on campus accommodation.

**5. On-line Application: Starts on 03<sup>rd</sup> December, 2015 and Closes on 13<sup>th</sup> December, 2015.**

**6. Interview Date: 16<sup>th</sup> of December, 2015**

In matter of admission, the decision of the Director of the Centre is final and binding.
