Advertisement of Senior Project Associate

Applications are invited for a Senior Project Associate position under the ANRF-funded Project (File No. ANRF/ECRG/2024/003677/PMS) titled "Material-specific Modelling of novel Responses in Quantum Materials".

PI: Dr. Barun Ghosh, Assistant Professor, Department of Condensed Matter and Materials Physics, S.N. Bose National Centre for Basic Sciences. Candidates interested in quantum materials, material-specific modelling, and theoretical condensed matter physics can apply.

Details of the post are given below:

Name of the Post: Senior Project Associate

- ▶ No. of Post: 1 (One)
- ▶ Essential Qualification: Ph.D. in Physics/Materials Science
- ▶ Experience (if any): Candidates with research experience in computational modelling of materials or electronic structure calculations will be preferred.
- ▶ Recommended Fellowship: 57,000/- per month + 27% HRA
- ▶ Duration of the Fellowship: 6 months with an option to extend depending on the performance and availability of funds.

How to apply: A soft copy of the application including a short statement of research interest and CV along with supporting documents should be sent to bghosh@bose.res.in and registrar@bose.res.in. Hard copy of the documents should be send to the Registrar, SNBNCBS.

The application deadline: 14th May, 2026
