## **Appointment of Scientist-D (Academic) in the Thematic Unit of Excellence (TUE) on Computational Material Science [1 position]:**

The S. N. Bose National Centre for Basic Sciences, an autonomous institute under the Department of Science and Technology, Government of India is looking for Scientist –D (1 position) with brilliant academic and research records (judged by steady publications in international peer reviewed journals) in the area of Computational Materials /Physical/ Chemical Science, with specialization in (i) Numerical quantum techniques or (ii) Large scale simulation of classical systems. The selected candidates will be associated with the Thematic Unit of Excellence (TUE) on Computational Material Science set up recently within the Centre.

### Eligibility:

Ph. D. degree with relevant post-doctoral experience. The candidate should be within 35 years of age.

### Salary:

Scientist-D: Rs. 15,600-39,100 + 7600 (GP) with a gross minimum salary of Rs. 78,501/- per month.

The appointment for Scientist-D position will be till the closing of the tenure of the unit (i.e. 01.07.2017).

The selection will be based strictly on academic merits and expertise in using extensive numerical quantum techniques and handling large scale classical simulations.

### How to Apply

Applications in plain paper with CV alongwith a complete list of publications, a short statement of research interest and name and address of at least 3 referees should be sent to the Registrar, S. N. Bose National Centre for Basic Sciences, Block JD, Sector III, Salt Lake, Kolkata 700 098, West Bengal, India with a soft copy marked to [tuecomp@bose.res.in](mailto:tuecomp@bose.res.in) with a copy to [registrar@bose.res.in](mailto:registrar@bose.res.in) within 21 days of publication of this advertisement. The position applied for should be clearly mentioned in the subject line of the email and on the envelope in case of hard copy. The soft-copy should be followed by a hard copy with attested copies of certificates and credentials.
